ARTIFICIAL INTELLIGENCE AND WHAT IT MEANS TO BE HUMAN

Wednesday, April 2nd | 7:00 pm – 8:30 pm | St. Mary's Parish Hall

Matthew A. MacDonald, a Catholic writer and filmmaker, offers a comprehensive, accessible, and provocative reading and presentation of Antiqua et Nova, an important document on artificial intelligence from the Catholic Church's Dicastries for the Doctrine of the Faith and Culture and Education. At stake is the very question of what it means to be human, which makes fully understanding this document and its guidance so vital.

“Prayer is the best weapon we have; it is the key to God’s heart. You must speak to Jesus not only with your lips, but with your heart. In fact on certain occasions you should only speak to him with your heart.”
St. Padre Pio

FOR THIS WE PRAY...

Lord, envelop all those attending the Young Catholic Professionals Lenten Retreat this month with your graces and blessings and show them how you want them to live the faith in their workplaces.

Lord, bless our Fish Friday event. Shine your light on all the volunteers and participants. Nourish their bodies as well as their spirits, and fill the atrium with laughter. Enkindle a true spirit of the joy of Christian Community.

Lord, we pray for the Pope’s intention for March, that broken families might discover the cure for their wounds through forgiveness, rediscovering each other’s gifts, even in their differences.

Lord, sanctify our walk with you in your passion through our meditations on the Stations of the Cross. Strengthen our faith with every step. Empower us with a deeper understanding of you and your unfathomable love.

ST. MAURICE PARISH SURVEY

St. Maurice Parish will conduct a survey shortly after Easter. The goal of the survey is to better understand and serve the parishioners of St. Maurice. It will be available in two formats: a digital version online and a printed paper version. We respectfully request that all parishioners complete the digital version during the weekend it is released. The printed version will be available at the welcome table in the mezzanine for those without internet access or who may feel uncomfortable with technology. We also welcome those under 18 to complete the survey with their parents’ permission. Our survey will be confidential, and providing your name and contact information is entirely optional. Thank you for helping us fulfill our mission.

Miracles Do Happen: You’d Better Belize It!

Presented by PETER SINN

MOVIES WITH MEANING

Please join us for our next movie night featuring Saving Mr. Banks, a 2013 biographical drama film that is “mostly true,” starring Emma Thompson and Tom Hanks. P.L. Travers, a London author facing financial difficulties, travels to Los Angeles to meet with Walt Disney, who is eager to adapt her Mary Poppins books for the big screen—a promise he made to his daughter years earlier. However, his methods do not meet with her approval.

Everyone aged 18 and over is welcome to attend this event for only \$4, which includes the movie, fresh popcorn, a drink, and an informal discussion.

DOOR TO DOOR OUTREACH

We invite you to join us in sharing the joy of the Resurrection with our community! This is a wonderful opportunity to connect with our neighbours and encourage them to participate in our Easter celebrations. Mark your calendars for April 5th, 12th, and 19th, when we’ll be going door-to-door to spread the word. We’ll gather at 9 am in the kitchen area outside the atrium, where we’ll provide training, materials, and maps to make our invitation effective and heartfelt. Your presence can make a difference, and everyone is welcome to take part in this meaningful outreach!

LEGION OF MARY

The Pilgrim Statue of Our Lady of Fatima is available to visit your home for two weeks at a time, promoting family prayer and Marian devotion. To request a visit, please sign up in the book located next to the confessional at the back of the church, email mrs.jowal@gmail.com, or call 613-255-5831.
